STRATEGIC PLAN GOAL: Safe Large City. - Maintaining traffic safety during summer school sessions				
SUMMARY OF ITEM				
The Plano Independent School District (PISD) has requested the implementation of school speed zones adjacent to 18 school campuses selected to remain open for the June, 2016 summer school session. Because summer school sessions operate during different calendars and operating times than the regular school year, the City Council adopted Section 12-73.1 Same – Specific Zones – Summer School on April 27, 2009. This section of city ordinances is school and zone specific, and requires annual updates as the PISD selects schools and dates for the summer school session. The Transportation Engineering Division supports the adoption of this ordinance amending Section 12-73.1(d) for the 2016 summer school session. By City Council approval of this ordinance the school zone signs for each affected school will be modified. The estimated cost to install the signs is \$17,125.
