Memorandum

TO: Bruce Glasscock, City Manager
THRU: Frank Turner, Deputy City Manager
FROM: Jack Carr, P.E., Director of Engineering
DATE: June 9, 2015
SUBJECT: ILA Related to Maintenance of Dublin Road along the Plano City Limits Boundary Adjustment Agreements with the Cities of Murphy and Parker

SUMMARY OF AGENDA ITEMS:

Three agenda items related to Dublin Road are on the agenda for the June 22, 2015 meeting:

Boundary Agreement with Parker

This agreement will move the City limits to the west right of way line of Dublin Road adjacent to Parker's jurisdiction to reduce the confusion regarding the responsibility for enforcement of traffic laws and other municipal functions.

Boundary Agreement with Murphy

This agreement will move the City limits to the west right of way line of Dublin Road adjacent to Murphy's jurisdiction. It will also result in the annexation by Murphy of the remaining portion of Dublin Road south of Parker. Though this agreement the City of Plano will accept the responsibility for the resurfacing of Dublin Road adjacent to Murphy. The City of Murphy will be responsible for the enforcement of traffic laws and all future municipal functions.

Interlocal Agreement with Collin County

The terms of this Interlocal Agreement provide for the City of Plano to pay for the west half of the road resurfacing plus pay for Murphy's portion (32%). The resurfacing project is currently scheduled to be considered for award on July 27, 2015.

BACKGROUND INFORMATION:

- Earlier this year, I was forwarded a copy of an email that was sent to political entities with potential responsibility for repairing Dublin Road north of FM 544. Apparently, the citizen encountered a significant amount of confusion regarding the responsibility for maintenance.

- While investigating this situation, my concern over the responsibility of other municipal services along Dublin increased. If there is confusion regarding the responsibility for the maintenance of the roadway, there is likely confusion regarding other services (e.g. police, fire, etc.)
- It is normally not a good idea to have a city boundary located within a roadway; therefore, I contacted the Murphy City Manager and the Parker City Administrator to initiate discussions regarding boundary agreements with their respective cities. We discussed my recommendation to move the city limits to one side of Dublin. Since both Murphy and Parker have citizens that use Dublin to access their homes (and Plano does not), all parties agreed to recommend to their respective Councils to move the city boundary to the west right-of-way line of Dublin Road.
- The portion of Dublin Road along Parker is in good condition. Collin County is adjacent to 18% of the total frontage and Murphy is adjacent to 32% of the total frontage. Plano is adjacent to the entire west side. The cost to resurface the remaining portion of Dublin Road is estimated to be \$190,000. The resurfacing project is currently scheduled to be considered for award on July 27, 2015.
