This bi-annual inventory does not need to be submitted to Grantor, but must be maintained by the Grantee and will be subject to review by Grantor. When property is vested in the Grantee, Grantee will dispose of equipment/property in accordance with the UGMS Part III, Subpart C, Sec. 32 (e). When the Grantee has been given Federally or state-owned equipment/property, Grantee will follow the UGMS Part III, Subpart C, Sec. 32 (f).

Loan Star Libraries Administrative Rule 2.815 (c) states, "If a library has certified that it provides service to non-residents without charge or it has elected to participate in the TexShare card program, the library must maintain these services for the duration of the contract that it received." This means the library shall provide the same library services and may impose the same restrictions on non-resident customers as it does for those customers who live locally. Texas Government Code, Section 441.138(c), states, "State aid to a free tax-supported public library is a supplement to and not a replacement of local support."
- C. The Grantee will comply with the following parts of the Governor's Office of Budget and Planning, UGMS revised June 2004, located at: <http://governor.state.tx.us/files/state-grants/UGMS062004.doc>.

- Part III. State of Texas Single Audit Circular (Adapted from OMB Circular A-133).
- D. All publicity relating to the grant award must include acknowledgement of the Texas State Library and Archives Commission whenever possible and practical. Publicity includes, but is not limited to press releases, media events, public events, displays in the benefiting library, announcements on the Grantee's website, and materials distributed through the grant project. The Grantee will provide Grantor with one set of all public relations materials produced under this grant with the Final Performance Report.
- E. Grantee understands that acceptance of funds under this contract acts as acceptance of the authority of the Texas State Auditor's Office, or any successor agency, to conduct an audit or investigation in connection with those funds. Grantee further agrees to cooperate fully with the State Auditor's Office or its successor in the conduct of the audit or investigation, including providing access to any information the state auditor considers relevant to the investigation or audit. Grantee will ensure that this clause concerning the authority to audit funds received indirectly by Sub-grantees through Grantee, and the requirement to cooperate, is included in any sub-grant awarded.
- F. The Grantee agrees to maintain all financial and programmatic records, supporting documents, statistical records, and other records relating to this grant award **for a minimum of three years after the end date of this contract.**

#### IX. ENFORCEMENT

- A. Remedies for noncompliance. If a Grantee or Sub-grantee materially fails to comply with any term of an award, whether stated in a state statute or regulation, an assurance, in a state plan or application, a notice of award, or elsewhere, Grantor may take one or more of the following actions, or impose other sanctions, as appropriate in the circumstances:
1. Temporarily withhold cash payments pending correction of the deficiency by the Grantee or Sub-grantee, or more severe enforcement action by Grantor;
  2. Disallow (that is, deny both use of funds and matching credit for) all or part of the cost of the activity or action not in compliance;
  3. Wholly or partly suspend or terminate the current award for the Grantee's or Sub-grantee's program;
  4. Withhold further awards for the program; or
  5. Take other remedies that may be legally available.

- B. Hearings, appeals. In taking an enforcement action, Grantor will provide the Grantee or Sub-grantee an opportunity for such hearing, appeal, or other administrative proceeding to which the Grantee or Sub-grantee is entitled under any statute or regulation applicable to the action involved.
- C. Effects of suspension and termination. Costs of Grantee or Sub-grantee resulting from obligations incurred by the Grantee or Sub-grantee during a suspension or after termination of an award are not allowable unless Grantor expressly authorizes them in the notice of suspension or termination, or subsequently. Other Grantee or Sub-grantee costs during suspension or after termination which are necessary, and not reasonably avoidable, are allowable if:
1. The costs resulting from obligations which were properly incurred by the Grantee or Sub-grantee before the effective date of suspension or termination are not in anticipation of it and, in the case of a termination, are non-cancelable; and,
  2. The costs would be allowable if the award were not suspended, or expired normally at the end of the funding period in which the termination takes effect.
- D. Relationship to Debarment and Suspension. The enforcement remedies identified in this section, including suspension and termination, do not preclude Grantee or Sub-grantee from being subject to "Debarment and Suspension" under Executive Order 12549 (see UGMS Part III, Subpart C, Sec. 35) and state law.
