**COMMENTS:** Funds are included in the FY 2012-13 Park Improvement CIP. This item, in the amount of \$88,200, will leave a current year balance of \$1,681,258 for the 09 Oak Point Park Development project.

**STRATEGIC PLAN GOAL:** Continued development of Oak Point Park relates to the City's Goal of Great Neighborhoods - 1st Choice to Live.

**SUMMARY OF ITEM**

Staff recommends that the bid of SFCC, Inc. in the amount of \$88,200 be accepted as the lowest responsible bid conditioned upon timely execution of any necessary contract documents. The project cost estimate of \$72,000 from the design consultant is slightly below the bid amount.

The bid includes the construction of two monument signs for the parking lot entrances at the Oak Point Amphitheater. The signs will be constructed to be similar to the masonry sign at the Oak Point Park & Nature Preserve main entrance on Los Rios Boulevard. The main monument sign will feature a remotely programmable, high resolution LED display to promote upcoming events and the other sign will help visitors find their way into the north parking lot. The work also includes power service and uplighting.

In the event SFCC, Inc. fails to execute contract documents staff recommends that a contract be awarded to Jim Bowman Construction in the amount of \$91,100.
