SUMMARY OF ITEM				
As a requirement of receiving funds through the U.S. Department of Housing and Urban Development annually, the City must report on the grant-funded programs and related expenditures within 90-days of the end of the grant year. The report, called a Consolidated Annual Performance Evaluation Report, or CAPER, is designed to make public the use of these funds during the previous grant year. As part of our Citizen Participation Plan, the public is given an opportunity to both review the plan and make comment on the plan at two public hearings. The first public hearing is with the Community Relations Commission, and the second at a City Council meeting. The City publishes a notice in the local newspaper and places the information on the website as notice of these meetings. After the hearings take place, public comments are noted in the document, and it is submitted to HUD for review and acceptance.

RE: 2013-14 Consolidated Annual Performance Evaluation Report

Please find attached the Consolidated Annual Performance Evaluation Report (CAPER) which conveys the use of U.S. Department of Housing and Urban Development (HUD) funds in Plano. The report is prepared as an annual requirement for continued entitlement of federal dollars. Its purpose is to inform the public of the use of these funds during the most recent 12-month grant cycle, October 1, 2013 through September 30, 2014.

To summarize, Plano expended \$1,572,352 in federal funds from HUD during the 2013 grant year. One hundred percent of funds expended were used to provide housing and/or public services. A total of 270 low-income individuals and 126 low-income households obtained assistance. Additionally, projects focused on creating and sustaining housing included eight new affordable houses, 31 housing rehabilitations, and down payment and closing cost assistance for five first-time homebuyers.

The City of Plano also provided \$385,533 in Buffington Community Services Grant funds to provide short-term, urgent economic assistance and care services to Plano residents. City funds assisted 11,501 individuals and 458 households in need. These accomplishments directly support the strategies, objectives and outcomes established in the current 2010-2014 Consolidated Plan of Housing and Community Development Needs.

The following needs were met through grants used by various non-profit organizations or City programs:

Counseling/Advocacy	6084
Elderly	1288
Employment Training	17
Health Services	2714
Homeless / At-Risk of Homelessness	621
Rent and Utility Assistance	368
Youth	1060

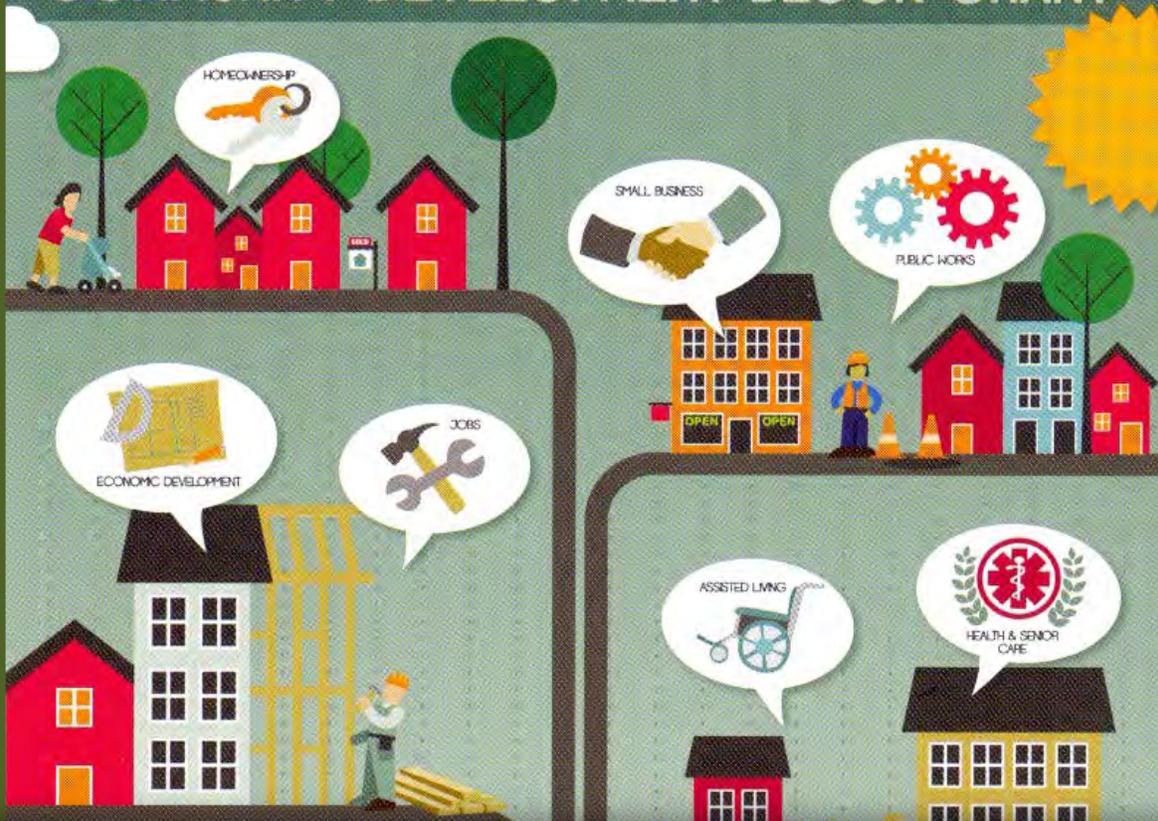

The impact of these funds is felt throughout Plano, helping to stabilize those individuals in need of assistance.

The Community Relations Commission held a public hearing and commented on the report at a meeting on November 18, 2014. There were no comments from the public and minor modifications were made as a result of Commissioner comments and suggestions. Please contact me if you have questions regarding any of the information contained in the report.

1 Executive Summary

The City of Plano is required to submit a Consolidated Annual Performance Evaluation Report (CAPER) to the U.S. Department of Housing and Urban Development (HUD) per 24 CFR Part 91. This report is a summary of accomplishments and actions taken for activities stated in the prior year Action Plan. The 2013 CAPER is used by HUD and the City to evaluate progress and performance during October 1, 2013 through September 30, 2014, the fourth program year of the 2010-2014 Consolidated Plan.

This report also highlights the use of Federal and city general funds to meet the needs of the community. Below are the strategic plan objectives and areas of high priority identified in the Consolidated Plan:

1. Decent Housing Strategy
2. Suitable Living Environment Strategy
3. Economic Opportunity Strategy

Narratives detail the City's efforts to collaborate with intergovernmental agencies, affirmatively further fair housing, leverage funds, accomplish the objectives set forth in the Consolidated Plan and ensure program compliance.

The CAPER must be available for public review and comment for a minimum of 15 days prior to submission. This report will be submitted to HUD within 90 days of the close of the program year.

2 Summary of Resources and Distribution of Funds

2 Summary of Resources and Distribution of Funds

Each year, at the recommendation of the Community Relations Commission, City Council allocates funding to eligible activities which may include housing activities, emergency and public services. For the 2013-14 program year (PY), the City of Plano received an entitlement of \$1,535,127 in Community Development Block Grant (CDBG) and HOME Investment Partnership (HOME) funds and \$153,046 in program income. The total expended for CDBG and HOME, in the amount of \$1,572,352, includes funds from PY 2013-14 and prior years. General funds totaled \$385,533. All unexpended federal funds will carry over to PY 2014. With the assistance of nonprofit and faith-based organizations, the combined federal and general funds enabled the City to accomplish specific goals set forth in the 2010-2014 Consolidated Plan.

Federal dollars were attributed to individuals and households at or below 80% of the Dallas area median income as determined by HUD. The City of Plano requires 100% of persons assisted with HUD funds to meet income guidelines. During the past program year, 270 individuals and 126 households living in the City of Plano had access to new and/or improved services which helped them maintain and, in many cases, improve their economic situations.

2 Summary of Resources and Distribution of Funds

2.2 City Funds

Buffington Community Services Grant Funds

The Consolidated Plan sets parameters to address community needs through the use of HUD and City funds. During the 2013 program year, the City of Plano set aside general fund dollars to be distributed as Robert W. Buffington Community Services Grants (BCSG). These funds supplement federal resources available to accomplish Consolidated Plan goals. The program year for BCSG funds coincides with the HUD program year. In 2013, \$385,533 in general funds were set aside for BCSG grants. The following agencies received BCSG funds:

Agency Names	
Assistance Center of Collin County	Health Services of North Texas, Inc. – Mental Health

and medical or crisis counseling care. Though the City does not have a low income level requirement for BCSG funds, most BCSG agencies report they assist those with the greatest need and are low-income. During PY 2013, 11,501 individuals and 332 families/households living in Plano were assisted with BCSG funds.

In summary, the City of Plano assisted 11,771 individuals and 458 families/households living within the city limits through a combination of HUD and general funds.

3 Narratives of Consolidated Plan Goals and Objectives

The CAPER provides an overview of accomplishments in addressing community development needs and priorities through a process which included citizen input and opportunity for public comment. The 2010-2014 Consolidated Plan sets forth five-year strategies with various objectives. The strategies and objectives undertaken during PY 2013 are stated below and followed by the activities completed to address them.

HUD Tables 3A and 3B, located in the Appendices of this document, show numerical goals and a numerical summary of the narratives below.

3.1 Decent Housing Strategy

Strategy DH: Encourage the provision of decent, safe and affordable housing for low and moderate income and special needs residents.

Five 2013-14 program activities are categorized under the Decent Housing Strategy of the Consolidated Plan. The objectives are as follows:

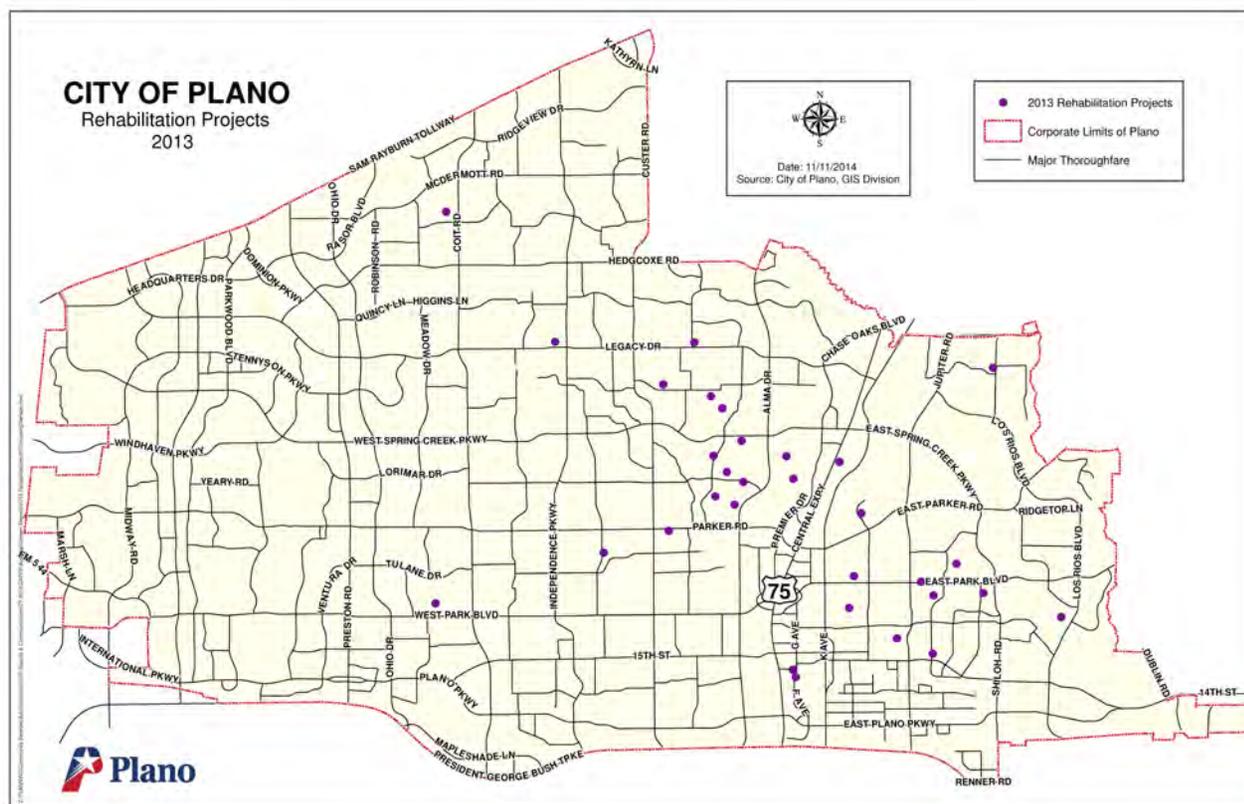

3.1.1 Objective DH-1.1

Continue to preserve and enhance existing housing stock through home rehabilitation.

3.1.1.1 City of Plano Housing Rehabilitation

Several neighborhoods throughout the City have benefited from rehabilitation projects completed during PY 2013-14. Approximately \$773,170 in CDBG funds were used for home rehabilitations and emergency repairs for 31 households. Of the 31 households assisted, five were categorized as extremely low, 11 very low and 15 low income.

One component of the program is to obtain the Home Energy Rating System (HERS) rating prior to and after a home rehabilitation. This rating quantifies the energy performance of the home. Homes rehabbed during the 2013 program year showed improvement in the HERS rating, specifically, an average of 23% as a result of the rehabilitation. The 2013 City of Plano Housing Rehabilitation project location map (Picture 3.1) shows housing rehabilitation program activities during PY 2013-14.

Picture 3.1

3.1.2 Objective DH-1.2

Continue to create affordable homeownership opportunities through homeownership assistance, new construction and/or acquisition and rehabilitation of land and properties for income qualified households.

3.1.2.1 Plano Housing Corporation

Plano Housing Corporation serves as the Community Housing Development Organization (CHDO) for the City of Plano. During PY 2013-14, this agency helped create affordable homeownership opportunities for two low income homebuyers and moved forward with completing construction on two additional homes. A total of \$155,897 in HOME funds were spent for these activities and associated operational expenses. Because available land for new construction is limited, the service provided is very important to the City.

3 Narratives of Consolidated Plan Goals and Objectives

3.1.2.2 First Time Homebuyer Program

The City of Plano's First Time Homebuyer Program increases homeownership opportunities for qualified buyers. In PY 2013-14, the City of Plano continued to collaborate with two neighboring cities as the central homebuyer education provider with 215 individuals attending classes held at Plano Municipal Center. Collaboration has benefited all parties by eliminating duplication of services, improving the quality of materials, increasing class participation and decreasing cost for each city. Other benefits include increased partnerships with lenders, realtors and other housing professionals as their knowledge and skills are used to enhance the training of potential homebuyers.

The City spent \$38,153 in CDBG and \$21,838 in HOME funds to assist five low income households with the purchase of a home in Plano. The 2013 City of Plano First Time Homebuyer Project Location map (Picture 3.2) shows where homes were purchased.

Picture 3.2

3.1.2.3 Habitat for Humanity

Habitat for Humanity of South Collin County continues to help the City of Plano meet the need of reducing the cost burden for low income households by creating affordable housing in Plano. In PY 2013-14, the organization completed five homes and moved forward with completing construction on one additional home. The infill housing project has created affordable homes for low income families and improved the neighborhood substantially. Habitat spent \$134,131 in HOME funds for development costs.

3.1.2.4 Christ United Methodist Church

Christ United Methodist Church has a unique project known as "House on the Corner." With mostly volunteer labor, members construct a home on the church parking lot which sits at the corner of a busy intersection, then transfer the home to a residential site. The visibility of this project continues to increase the awareness for housing needs in our community.

This program helps to address the City's priority to increase home ownership of low income populations. The church spent \$29,214 in HOME funds during the 2013-14 program year. These funds assisted them in building one home for sale to a low income family.

3.1.3 Objective DH-1.3

Increase and support affordable rental housing opportunities in Plano.

3.1.3.1 Plano Housing Authority

The City of Plano often works in conjunction with the Plano Housing Authority (PHA) to assist residents in obtaining homeownership. According to HUD, the City of Plano is the "Responsible Entity" for PHA. "Responsible Entities" assume HUD's authority regarding compliance with federal laws and regulations. The City completed an environmental review for activities that PHA will undertake using its HUD Capital Fund allocation and certified PHA's initiatives as compliant with the Consolidated Plan.

3.1.3.2 Support Housing Tax Credit Applications

The City of Plano periodically receives requests to support applicants to the Texas Department of Housing and Community Affairs (TDHCA) for the Housing Tax Credit Program (HTC). By providing resolutions of support or non-opposition, the City helps affordable housing developers meeting HTC application requirements as well be more competitive in TDHCA's funding process. During PY 2013-14, the City passed one resolution in support of the Villas at Plano Gateway Senior Living development, a proposed 292 affordable housing development for seniors at 477 Shiloh Road, Plano, TX.

Narratives of Consolidated Plan Goals and Objectives

3.2 Suitable Living Environment Strategy

Strategy SL: Improve and maintain suitable living environments by supporting and enhancing public facilities, public services and infrastructure for low income persons, special needs populations and neighborhoods in need of revitalization.

Seven 2013-14 program activities are categorized under the Suitable Living Strategy of the Consolidated Plan. The objectives are as follows:

3.2.1 Objective SL-2.1

3.2.1.1 Objective SL-2.1a

Develop and upgrade public facilities and infrastructure to help lower income persons, those with special needs and neighborhoods in need.

The City accomplished the accessibility modifications commitment to upgrade public facilities and infrastructure in prior program years.

3.2.1.2 Objective SL-2.1b

Support and assist with the creation of additional shelter, supportive services, and transitional housing for homeless and under-housed.

3.2.1.2.1 Samaritan Inn Transitional Shelter

The Samaritan Inn Transitional Shelter program provided shelter and supportive services aimed to restore self sufficiency to 66 homeless persons from Plano. The agency used \$34,100 in CDBG funds for program staff salary.

3.2.1.2.2 Texas Muslim Women's Foundation

The Texas Muslim Women's Foundation provided shelter and supportive services for victims fleeing domestic violence. The agency used \$15,000 in CDBG funds to provide program services to 13 Plano households.

3.2.2 Objective SL-2.2a

Provide support for organizations that engage in public services for Plano residents, especially special needs populations, including but not limited to low income elderly, persons with disabilities, persons with HIV/AIDS and at-risk youth.

Narratives of Consolidated Plan Goals and Objectives

3

3.2.2.1 Boys and Girls Clubs of Collin County

The Boys and Girls Club of Collin County assisted 119 low income youth through their SMART Moves program. Funds provided salaries for SMART Moves staff, building maintenance and utility fees. The agency provides gender specific youth forums to address such topics as moral compass, education and career development, and health and fitness. The agency spent \$35,000 in CDBG funds to carry out program activities.

3.2.2.2 Communities in Schools

Communities in Schools spent \$13,464 in CDBG funds to conduct a mentoring and tutoring program for at-risk youth. Funds were used to pay for the salary and benefits of one caseworker at Armstrong Middle School. Program services were provided to a total of 35 low income youths.

3.2.2.3 Galaxy Counseling Center

Galaxy Counseling Center offered child and family counseling through affordable mental health services for families in need. The agency used \$6,813 in CDBG funds to provide program services to 33 low income clients.

3.2.3 Objective SL-2.2b

Assist homeless supportive services across the entire spectrum of need, from homelessness to self-sufficiency with continued emphasis on homelessness prevention.

3.2.3.1 City of Plano Homelessness Prevention (Samaritan Inn)

The Samaritan Inn continues to administer the City of Plano's Homelessness Prevention Program. The program provided emergency rent, mortgage, and/or utility assistance to 36 Plano households at-risk of homelessness and spent \$67,000 in CDBG funds. Participating households received financial assistance and case management services.

3.3 Economic Opportunity Strategy

Strategy EO: Encourage economic opportunities that promote private investment for low and moderate income persons and area workforces.

One 2013-14 program activity is defined within the Economic Opportunity Strategy. The objective is listed below:

Narratives of Consolidated Plan Goals and Objectives

3.3.1 Objective EO-2

Create and/or expand opportunities for small businesses and/or microenterprises.

3.3.1.1 LaunchAbility

During program year 2013-14, LaunchAbility assisted 17 Plano residents with cognitive disabilities in obtaining and maintaining employment. The agency spent \$5,356 in CDBG funds to provide program services.

3.4 Other Strategy

Strategy O, as listed in the 2010-2014 Consolidated Plan, includes program planning and administration that supports all of the previously mentioned HUD strategies and objectives. This strategy's sole objective is:

Objective O-1: Use CDBG and HOME funds to coordinate, monitor and implement the Consolidated Plan objectives in compliance with HUD requirements.

The City of Plano used \$272,153 in CDBG and HOME funds administering the 2013-14 program activities to include salaries, training/professional development, public notices and printing, audit costs, association dues and mileage reimbursement.

3.4.1 City-Funded Projects

The City's general funds helped to assist Plano residents of several populations as defined by HUD. Buffington Community Services Grant (BCSG) funds in the amount of \$385,533 were awarded for 20 programs at 17 agencies listed in Table 2.2. A total of 11,833 Plano residents and households were provided public services across a wide spectrum of special needs populations including elderly, homeless persons, victims of domestic violence, and abused children. Table 3.1 provides a summary of agencies and programs funded through BCSG in PY 2013-14.

5 Affirmatively Furthering Fair Housing

5 Affirmatively Furthering Fair Housing

The City of Plano conducted an Analysis of Impediments to Fair Housing Choice (AI) in July 2010. The analysis reviewed the current City policies, federal and state regulations, and included a community survey of fair housing issues in an effort to recognize impediments to fair housing within the City of Plano. A summary of impediments are listed below along with actions taken to address them.

Impediment No. 1: Residents have very low awareness of who investigates housing discrimination in Plano and/or who to contact to file a complaint.

Impediment No. 2: Residents have limited information about fair housing laws and their rights. The city, housing authority and other partners could do more fair housing education and outreach.

Impediment No. 3: Plano continues to be a desirable place to live and, as such, has relatively high land and housing costs. That said, the city has policies in place to encourage affordable housing, including a Housing Infill ordinance and a Housing Density policy that allows for a mixture of housing types and densities. However, the city is predominantly intended for low-density neighborhood development.

Fair Housing Action Plan

Based on research performed by BBC Consulting, it was recommended that the City of Plano consider the following Fair Housing Action Plan (FHAP) and activities for reducing fair housing impediments:

Action Item 1: Make it easier for residents to find information about fair housing and the complaint process.

City 2013-14 Activity Response:

The City of Plano monitored its Fair Housing Website to ensure residents have a clear definition of housing discrimination and access to links for HUD's website (to assist those seeking to submit a complaint), the Texas Workforce Commission Civil Rights Division (TWCCRD) and the Plano Housing Authority website. Notices were included in City of Plano utility bills (Picture 5.1) Brochures and documents were distributed at City and neighborhood events and staff served on a committee to respond to HUD's proposed Furthering Fair Housing Rule.

Action Item 2: Continue policies to encourage and create mixed types of housing, affordable to households of all income levels.

City 2013-14 Activity Response:

As stated in the Analysis of Impediments, the City has several policies that encourage housing opportunities for low and moderate income households. The City's Housing Infill ordinance allows the City to acquire, donate land and/or allocate other funds toward the development of affordable housing. The City's Housing Density Policy Statement that is part of its Comprehensive Plan outlines principles for development of large scale, multifamily projects to avoid concentrations of such housing types. The policy statement includes a discussion of the positives of multifamily developments with hopes to dispel common myths. The City of Plano continued to promote these policies that encourage fair housing for all during the 2013-14 program year.

Picture 5.1

5.1 Actions & Outreach to MWBEs

Staff continued marketing and outreach to Minority and Woman Owned Business Enterprises (MWBEs) by utilizing local media, searching websites such as the Small Business Administration and local chapters of national associations. These efforts along with networking and referrals resulted in 57% (\$358,574) of total funds awarded through housing rehabilitation as MWBE contracts.

Also, the City exceeded its goal of awarding 10% of construction contracts to Section 3 businesses and 3% of non-construction contracts to Section 3 businesses. From October 1, 2013 through September 30, 2014, the City of Plano paid \$656,378 to contractors providing construction services and \$15,220 for non-construction services for the City's Housing Rehabilitation Program. HUD's Section 3 Guidelines require recipients of their funds, to the

greatest extent possible, provide job training, employment and contract opportunities for low income residents. During PY 2013, 17% of construction contracts and 0% of non-construction contracts were awarded to contractors that met Section 3 guidelines.

5.2 Affordable Housing

Through policy, funding commitments, and in-house programs, the City has provided opportunities to maintain and increase its affordable housing stock. During PY 2013-14, first time homebuyers received homeownership assistance for existing, rehabilitated or newly constructed homes and current homeowners were assisted through the housing rehabilitation program.

Table 3B in the Appendices provides a numerical summary of accomplishments. The income percentage categories for those assisted equals five extremely low, 11 very low and 28 low income households.

Picture 5.2

6 Continuum of Care

The City of Plano actively pursues avenues to address homelessness and participates in coordinating homeless services in the community. To address homelessness prevention, HUD funds were used to help families and individuals remain housed through rent, mortgage, utility and/or case management services.

Metro Dallas Homeless Alliance, the local Continuum of Care, has proposed a regional strategy to take action on homelessness in Collin County. The proposal includes additional funding, coordinated access for homeless persons, a Collin County Assessment Center and referral hotline.

Other efforts to provide solutions to homelessness include participation in the Collin County Point-in-Time Homeless Count and the Collin County Homeless Coalition. The coalition, which consists of homeless service providers, neighboring cities, faith-based organizations and educational institutions, is seeking ways to meet the need for services not currently available in Collin County.

7 Other Actions & Leveraging Funds

7 Other Actions & Leveraging Funds

7.1 Other Actions

Underserved Needs

Recognizing Federal resources alone are not sufficient to meet community needs, the City of Plano created the Buffington Community Services Grant (BCSG) in 1998. The grant consists of general funds to help meet underserved needs and assist agencies in accomplishing their missions.

Foster and Maintain/Eliminate Barriers to Affordable Housing

Ensuring that Plano residents have access to affordable housing is a priority for the City of Plano. This effort is accomplished through the City's First Time Homebuyer Program and Housing Rehabilitation Program as noted in earlier narratives. In addition, the City is committed to implementation of its Fair Housing Action Plan.

Overcome Institutional Gaps and Enhance Coordination

In order to overcome gaps in institutional structures and enhance coordination, Community Services Division staff actively collaborates with outside agencies which include the Collin County Homeless Coalition, Metro Dallas Homeless Alliance, Collin County Social Service Association and Texas Health Resources Community Health Council. Other efforts include networking with neighboring participating jurisdictions through the National Community Development Association and advocating for elimination of duplicate services amongst public service agencies.

Public Housing and Resident Initiatives

The Plano Housing Authority Family Self Sufficiency (FSS) program coordinates public and private resources to enable families to achieve economic independence through meaningful employment, higher paying jobs, high school diploma or higher degree and homeownership or similar goals. During PY 2013-14, the housing authority offered a walk-in medical clinic one afternoon per week and sponsored a "Back 2 School Block Party" for residents.

Lead-Based Paint Hazard Reduction

City staff has been trained and certified in lead-based paint risk assessment and hazard reduction. All houses built prior to 1978 are inspected for lead hazards prior to rehabilitation and home purchase. If potential hazards exist, homeowners receive lead based paint notification and the appropriate level of action is included in the rehabilitation work.

Program Compliance

City staff attended various HUD-sponsored training sessions as well as participated in webinars during PY 2013-14. These efforts are to ensure staff is current with new and/or revised federal regulations regarding HUD funded programs. Below is a list of training sessions and/or webinars attended:

- CDBG Listening Session
- Consolidated Plan
- HUD Environmental Review and Assessment Trainings
- Federal Labor Standards
- HOME Final Rule
- IDIS and e-Con Planning Suite trainings
- Lead Based Paint
- Texas Title Issues training
- Income Calculation
- First Time Homebuyer Marketing and Outreach
- CDBG Week

For planning/monitoring requirements, staff conducts regular desk monitoring and annual on-site monitoring of programs to ensure program and comprehensive planning compliance. In addition, staff requires mandatory training for all CDBG and HOME subrecipients and publishes a "CDBG and HOME Subrecipient Compliance Manual" for those agencies and provides ongoing technical assistance as needed.

Anti-Poverty Strategy

Plano Housing Authority provided services to families with the objective to eliminate dependency on public assistance by gaining self sufficiency through achieving goals mentioned in the Public Housing and Resident Initiative section above. The self sufficiency program developed various educational and job training programs in cooperation with other area agencies to help families meet these goals.

7 Other Actions & Leveraging Funds

Also contributing to this strategy, five low-income families purchased homes through the City of Plano First Time Homebuyer Program enabling them to begin building equity in real estate as well as homeowners assisted through Habitat for Humanity and Christ United Methodist Church housing programs.

HUD's Section 3 Guidelines require recipients of HUD funds, to the greatest extent possible, provide job training, employment, and contract opportunities for low income residents. During program year 2013, 17% of construction contracts were awarded to contractors that met Section 3 guidelines.

7.2 Leveraging Resources

City of Plano subrecipients are encouraged to leverage HOME and CDBG funds in seeking other funding sources. Diversification of funding sources reduces dependence on HUD funds which are subject to change annually. Leveraging also decreases the amount of HOME and CDBG funding needed for each project, allowing the City to assist more residents.

First Time Homebuyer Program

Approximately \$575,000 in non-federal funds was leveraged in 2013. As part of the leveraged funds, a contribution from the prospective first time homebuyer is required for downpayment assistance. This permits the first time homebuyer to have greater equity initially in the home. In addition, the first time homebuyer has a five year, forgivable lien placed on the property for the amount of assistance received. By doing this, the City has the potential to recapture a portion of the costs should the homebuyer sell or vacate the property during the five year affordability period. Recapturing these funds provides resources to assist additional homebuyers.

HOME Program

HOME-funded single family residential and acquisition/rehabilitation projects also leverage funds to maximize affordable housing dollars. Approximately \$669,000 in non-federal funds were leveraged. The City of Plano requires non-profit agencies producing affordable single family homes to leverage outside funds to complete the construction and/or rehabilitation of houses for low income buyers. Like the First Time Homebuyer program, this permits the non-profit agency and homebuyer to have a greater equity in the home and also allows the City to distribute program funding dollars to more in need.

The City of Plano uses as Match for HOME funds by calculating the interest saved by homebuyers due to obtaining reduced interest or interest free loans and by the deferred payment gap loans made by the developers.

8 Self Evaluation

The 2013-14 activities added outcomes toward achieving the strategies and objectives established in the 2010-2014 Consolidated Plan. This was the fourth year of the five year Consolidated Plan. Tables 3A and 3B in the Appendices provide an in-depth review of the City's annual outcomes. An overview of the City's accomplishments.

Decent Housing Strategy

Objective DH-1.1: Preserve and enhance existing housing stock through home rehabilitation.

The City's Housing Rehabilitation program completed home rehabilitations and emergency repairs for 31 households; 97% of the expected number of units. This success can be attributed in part to continued efforts by staff to market the program and the demand for homeowners seeking assistance in maintaining and repairing their homes.

Objective DH-1.2: Create affordable homeownership opportunities through homeownership assistance, new construction and/or acquisition and rehabilitation of land and properties for income qualifying households.

Christ United Methodist Church met its annual commitment and began building a second property with its 2013-14 funds. The second property will be completed and sold to a low income household during the 2014-15 program year.

Plano Housing Corporation is a nonprofit organization that serves as a Community Housing Development Organization (CHDO) in the City of Plano. The organization met its goal of completing two projects for low income homebuyers.

Habitat for Humanity of South Collin County completed five affordable homes for low income homebuyers. Habitat's undertaking of this new project has produced a substantial amount of affordable housing for the community.

Finding qualified applicants for the City's FTHB program continued to be difficult for staff. During the program year, 43 households applied and five applicants closed on a home. The supply of affordable housing is insufficient due to high demand and low supply of properties in the city, limited HUD funding for affordable housing activities in Plano, and state laws disallowing mandatory inclusionary housing. As a result, Staff will continue to market the program through local and City sponsored events, networking, and mailers in attempt to locate potential homebuyers.

8 Self Evaluation

Suitable Living Environment Strategy

Objective SL-2.2a: Provide support to organizations that engage in public services for Plano residents, especially special needs populations, including but not limited to low income elderly, persons with disabilities, persons with HIV/AIDS and at-risk youth.

All three HUD activities under this objective met and/or exceeded their annual outcome goal. Approximately \$9,722 in unused CDBG funds allocated to the agencies will be reallocated.

Objective SL-2.2b: Assist homeless supportive services across the entire spectrum of need from homelessness to self-sufficiency, with an emphasis on homelessness prevention.

During the 2013-14 program year, the City's Homelessness Prevention Program, Samaritan Inn's Transitional Shelter Program, and Texas Muslim Women Foundation exceeded their outcome goals. Approximately \$900 in unused CDBG funds allocated to the agencies will be reallocated.

Economic Opportunity Strategy

Objective E0-2: Support activities that provide job training and assist in job/small business creation.

In this category, one program through LaunchAbility provided services to help disabled adults obtain and maintain employment. The agency's Supported Employment program exceeded its annual outcome by providing services to 12 more individuals than expected. Approximately \$7,284 in unused CDBG funds allocated to the agency will be reallocated.

9 CDBG & HOME Narrative

9.1 CDBG Narrative

The City of Plano used CDBG funds to address objectives set forth in the 2010-14 Consolidated Plan. Tables 3A and 3B in the Appendices show the City's annual progress. There were no significant changes in program objectives. Activities undertaken were stated in the 2013-14 Action Plan submitted to HUD prior to the beginning of PY 2013-14.

The City of Plano received \$131,395 in program income during the year, \$11,395 more than originally estimated. These funds were reprogrammed into the City's Housing Rehabilitation Program. Program income was generated predominately from rehabilitation loan payments and is spent on new housing rehabilitation projects.

As of the end of the program year, loans consist of Housing Rehabilitation forgivable and repayable loans; 120, with a balance of \$1,756,148 and, 85 with a balance of \$840,017 respectively. In addition, First Time Homebuyer forgivable loans total 25 with a balance of \$59,574. Total interest collected was \$15,259. A detailed loan portfolio is included in the Appendices.

The primary use of 2013 CDBG funds was affordable housing development, housing rehabilitation, and public service activities. As required by HUD, 70% of all CDBG funds expended during a particular period must benefit low-to-moderate income persons. The City exceeded this goal as all funds spent benefited low income individuals or households. Public service activities accounted for 15% of these funds. The City will reallocate unspent dollars to HUD-eligible activities.

In assessing the City's efforts to carry out planned actions as part of the City's certification to follow the HUD approved Consolidated Plan, the City of Plano has:

- Implemented all programs and activities in accordance with Local, State and Federal laws,
- Used CDBG funds toward highest priority needs and goals which satisfy national objective requirements,
- Used all resources listed in the Action Plan,
- Not hindered Consolidated Plan implementation by action or willful inaction, and
- Followed anti-displacement and relocation policies.

9.2 HOME Narrative

HOME funds were used as proposed in prior year Action Plans addressing the priority need of affordable housing. Assistance was provided to first time homebuyers, for home rehabilitation and for creation of new infill housing. All HOME funds benefited extremely low -to-low income households. Table 3B in the Appendices summarizes Affordable Housing goals.

The HOME program is required to obtain match contributions for the period covered by the Consolidated Plan program year.

As reported in the HUD's Integrated Disbursement and Information System (IDIS), the City receipted \$21,651 and drew down \$1,986 in program income. The estimated amount stated in the 2013-14 Action Plan is \$3,000. These funds can be attributed primarily to loan payments. The City will allocate and expend these funds on HOME-eligible activities.
