Ms. Firgens advised that the Council has approved similar requests in the past and stated that the Heritage Commission and Planning and Zoning Commission both recommend approval of the request as submitted.

Mayor Dyer opened the Public Hearing. No one spoke for or against the request. The Public Hearing was closed.

Upon a motion made by Council Member Duggan and seconded by Mayor Pro Tem Smith, the Council voted 8-0 to amend Heritage Resource Designation No. 18 to allow paver stones as an additional paving material for the driveway and off-street parking, on 0.2± acre of land located at the northwest corner of M Avenue and 15th Street; as requested and as recommended by the Planning and Zoning Commission; and further to adopt Ordinance No. 2013-4-13.

Development Review Manager Firgens advised that the owner of the adjacent new car dealer site has acquired the property for expansion which requires a specific use permit. She further advised that the Planning and Zoning Commission recommended approval as submitted.

Mayor Dyer opened the Public Hearing. No one spoke for or against the request. The Public Hearing was closed.

Upon a motion made by Deputy Mayor Pro Tem Harris and seconded by Council Member Miner, the Council voted 8-0 to expand Specific Use Permit No. 561 for the additional use of New Car Dealer on 1.4± acres of land located at the southeast corner of Dallas North Tollway and Plano Parkway; as requested in Zoning Case 2013-05 and as recommended by the Planning and Zoning Commission; and further to adopt Ordinance No. 2013-4-14.

Public Hearing and consideration of an Ordinance as requested in Zoning Case 2013-02 to amend an Ordinance of the City of Plano amending the Comprehensive Zoning Ordinance of the City, Ordinance No. 2006-4-24, as heretofore amended, so as to rezone 63.0± acres of land located on the west side of Coit Road, 950± feet north of Mapleshade Lane in the City of Plano, Collin County, Texas, from Corridor Commercial and Light Industrial-1 to Urban Mixed-Use No. 1; directing a change accordingly in the official zoning map of the City; and providing a publication clause, a penalty clause, a repealer clause, a savings clause, a severability clause, and an effective date. Applicant: Crow-Billingsley Ltd. No. 10, Billingsley 121 Coppell Ltd. and University Business Park Phase II, Ltd. (Regular Agenda Item “4”)

Director of Planning Jarrell advised that the Urban Mixed-Use (UMU) district is intended to provide a regulatory and management framework for design of these centers and requires a development plan which may only be amended through the Public Hearing process. She stated that the applicant’s plan shows a private grid street pattern with retail buildings and surface parking fronting Coit Road, a main street running perpendicular to Coit Road, three- and four-story multi-family buildings with live/work/retail uses on the ground floor, a variety of public open spaces and several three-story office buildings with structured parking on the western side.

Zoning Case 2013-02 (cont'd)

Ms. Jarrell referred to the following requested exceptions to district regulations:

1. Structured parking and tuck-under garages shall be included in the calculation of lot coverage.
2. The maximum block size shall be 3.5 acres for Blocks E, F, and S only.
3. For Blocks A and B only:
 - a. The maximum front yard setback shall not apply to buildings that front Coit Road.
 - b. Minimum lot coverage shall be 15%.
 - c. Minimum Floor-Area-Ratio (FAR) shall be 0.3:1.

Ms. Jarrell advised that the request is in conformance with the Future Use Plan, water and sanitary sewer services are available, there are no existing neighborhoods or linear parks to serve the area and the Plano Independent School District has determined that all four schools in the area are at capacity. She advised that there is no recommendation from Planning and Zoning Commission as they made two motions, one to approve and one to deny, both of which failed with a 3-3 tie vote and further that only a simple majority of the Council is required to approve the request. Ms. Jarrell responded to Council Member Gallagher, advising that Staff recommended approval of the request.

Mayor Dyer opened the Public Hearing. Lucy Billingsley of Billingsley Company spoke to the low number of office developments along S.H. 190 and utilizing the mixed-use category to bring in multiple uses beginning with retail and residential followed by office. She spoke to the importance of density, amenities and parking with 80% in garages, 6% surface and 14% street. Robert Miller, representing the Plano Homeowners' Council spoke in opposition, noting that the location is one of the last large areas with light-industrial zoning and the increase in the percentage of multi-family housing in the City. Lucio A. Peña of Billingsley Company referred to the number of apartments in the City and spoke to the inability to market the property with the current zoning and the quality of their other projects. Kirk Williams, representing the applicant, spoke to work done with Staff to develop the item and their favorable recommendation. No one else spoke for or against the request. The Public Hearing was closed.

Council Member Miner spoke to other developments meant to be mixed-use, which resulted in additional apartment buildings when other uses could not be established and potential issues of land price in attracting projects. Council Member Gallagher stated concern that the property may never develop as Light-Industrial and spoke in support of Staff's recommendation. Council Member Duggan spoke regarding the order of development from residential, to retail to office and the potential for other less desirable uses. Deputy Mayor Pro Tem Harris stated concern regarding capacity of schools in the area, resulting in an increase in taxes. He further referenced other mixed-use developments that are not progressing as planned. Mr. Williams responded to Council Member Duggan regarding the anticipated number of children that would reside in the development and the minimal impact on schools. Mayor Pro Tem Smith spoke to school capacity and commercial construction as a later phase rather than earlier.

Zoning Case 2013-02 (cont'd)

Council Member Davidson stated concern regarding traffic in the area, school capacity, and available amenities. Council Member Dunlap spoke to the lack of interest in developing the site as light-industrial, potential uses under that zoning category, the need for residential development to balance out retail, and the flow of traffic in the area. Mayor Dyer spoke to finding the best use for the City and stated concern that office uses will not be developed until the last phase.

A motion was made by Council Member Dunlap and seconded by Council Member Gallagher to approve the request as recommended by Staff. Council Member Duggan spoke to helping developers move forward with mixed-use developments. The Council voted 3-5 with Mayor Dyer, Mayor Pro Tem Smith, Deputy Mayor Pro Tem Harris and Council Members Miner and Davidson voting in opposition. The motion failed.

Council Member Miner made a motion to deny with prejudice. Ms. Jarrell advised that this motion would result in the applicant's inability to submit subsequent plans for the property for the next two years. Mr. Miner revised and stated his motion to deny without prejudice. Mayor Pro Tem Smith seconded the revised motion and the Council voted 5-3 with Council Members Dunlap, Gallagher and Duggan voting in opposition. The motion carried.

Consideration of a Concept Plan for Coit Crossings Addition, Block 1, Lot 9 - General office on one lot on 30.0± acres located 100± feet north of Mapleshade Lane, 1,900± feet west of Coit Road. Zoned Corridor Commercial and Light-Industrial-1. Applicant: Crow-Billingsley Ltd. No. 10, Billingsley 121 Coppell Ltd. and University Business Park Phase II, Ltd. (Regular Agenda Item "5")

Kirk Williams, representing the applicant, withdrew the request.

Public Hearing and Consideration of an Appeal of the Planning & Zoning Commission's Denial of Zoning Case 2013-06 and Development Plan - Request to rezone 36.3± acres located on the west side of Preston Road, 1,600± feet south of State Highway 121 from Commercial Employment to Urban Mixed-Use. Zoned Commercial Employment/State Highway 121 and Preston Road Overlay Districts. Applicant: Lincoln Property Company. (Regular Agenda Item "6")

Director of Planning Jarrell advised that the applicant's development plan shows a private grid street pattern with restaurant buildings and surface parking fronting Preston Road; retail, restaurant, office and multi-family buildings located along the proposed main street running perpendicular to Preston Road; and a large centralized open space area. She referred to the following requested exemptions to district regulations:

1. Structured parking and tuck-under garages shall be included in the calculation of lot coverage.
2. The minimum lot coverage shall be as follows:
 - a. Blocks A and B: 12%
 - b. Blocks D, E, F, H, and J: 40%

Zoning Case 2013-06 (cont'd)

3. The minimum floor area ratio shall be as follows:
 - a. Blocks A and B: 0.12:1
 - b. Block F: 0.5:1
4. The maximum block size for Blocks B and C shall be 3.5 acres.
5. The maximum parking provided for Blocks A and B shall be one space per 85 square feet.
6. No more than 60% of the parking for the entire development shall be surface parking.
7. The maximum front yard setback shall not apply to properties that have frontage along Preston Road.
8. Surface parking lots:
 - a. Shall not be required to be designed as future development sites.
 - b. Shall not be required to be located on the outside edge of the development.
9. One-story buildings shall be permitted along the main street provided that the minimum height is 30 feet.

Ms. Jarrell advised that the request is in conformance with the Future Use Plan, water and sanitary sewer services are available, that there are no existing neighborhoods or linear parks to serve the area and that the Frisco Independent School District has determined that Riddle Elementary School is at capacity. She advised that the Comprehensive Plan discourages rezoning for residential uses in prime economic development areas of the City and that the location does not expand an existing neighborhood or establish a new one. She advised that the Planning and Zoning Commission stated concerns regarding the integration of uses, amount of surface parking, the number of exemptions requested, and noted that with the amount of office development in the area, multi-family may not be the best use. She stated that the Commission denied the request, therefore a three-quarter vote of the Council is needed for approval.

Mayor Dyer opened the Public Hearing. Kirk Williams, representing the applicant, spoke regarding the request as an alternative use that would be appropriate for the site. He advised regarding plans to develop 450,000 square feet of retail/restaurant to the north along S.H. 121 which are not a part of the request, stating that Council may prefer flex office (180,000 square feet) rather than the proposed mixed-use. Robert Dozier of Lincoln Property Company responded to Mayor Dyer, advising that the five-story office building will be tenant-specific and constructed upon request. He further spoke regarding the anticipated level of parking for the site. Larry Good of Good, Fulton & Farrell provided information regarding the design of the mixed-use development, the housing opportunity for those employed in the area and planned phases beginning with retail/residential followed by office. Mr. Williams spoke to the anticipated low impact on school enrollment and taxes that will be generated. Robert Miller, representing the Plano Homeowners' Council, spoke to the percentage of City property zoned multi-family rather than what is currently developed. He spoke positively regarding Lincoln Property Company, but stated concern regarding the location, requested amendments, and the delay in construction of five-story office building. No one else spoke for or against the request. The Public Hearing was closed.

Zoning Case 2013-06 (cont'd)

Ms. Jarrell spoke to Staff concerns regarding surface parking, requested exceptions and the general layout of development with emphasis on surface parking as opposed to trying to create dense development.

Mayor Dyer and Deputy Mayor Pro Tem Harris spoke regarding the quality of the developer and the inclusion of retail at the location, but stated concern regarding the appropriateness of the site for multi-family development. Mr. Harris spoke regarding the impact on the Frisco School District. Council Members Gallagher and Duggan stated support for the request. Council Member Dunlap spoke for the potential of different development at this location.

A motion was made by Council Member Gallagher and seconded by Council Member Duggan to approve the appeal of the Planning & Zoning Commission's Denial of Zoning Case 2013-06 and Development Plan - Request to rezone 36.3± acres located on the west side of Preston Road, 1,600± feet south of State Highway 121 from Commercial Employment to Urban Mixed-Use. The Council voted 3-5 with Mayor Dyer, Mayor Pro Tem Smith, Deputy Mayor Pro Tem Harris and Council Members Dunlap and Davidson voting in opposition. The motion failed.

A motion was made by Mayor Dyer and seconded by Deputy Mayor Pro Tem Harris to deny the appeal of the Planning & Zoning Commission's Denial of Zoning Case 2013-06 and Development Plan - Request to rezone 36.3± acres located on the west side of Preston Road, 1,600± feet south of State Highway 121 from Commercial Employment to Urban Mixed-Use. The Council voted 5-3 with Council Members Miner, Duggan and Gallagher voting in opposition. The motion carried.
